Anyone willing to help with weed eating, please contact John (KØVET) or post to forum.
- c. Keith (NØVJ) wants to bring to all the members' attention that we need to work on getting Fund Raising events and ideas for the "WAARCI Tower Site Project". The club signed a 3 year contract and 1 of those years is about gone. This needs to be a priority for all club members to come together and focus on getting this project funded. Keith has made a fundraising poster with an antenna depicting our goal of the amount needed to purchase this tower site. As our funds increase, the antenna will be colored in until the needed amount at the top of the antenna is reached. This will be a good reminder of what our goal is and how we are growing our funds to reach that goal. Suggestions of donations, contributions, as well as fund-raisers will be focused on as steps we can take to get started. Any idea's or suggestions are/will be greatly appreciated in setting up the ground work to complete this goal.
